

Starter-Sets

for all measuring
technologies

KIPPGROUP

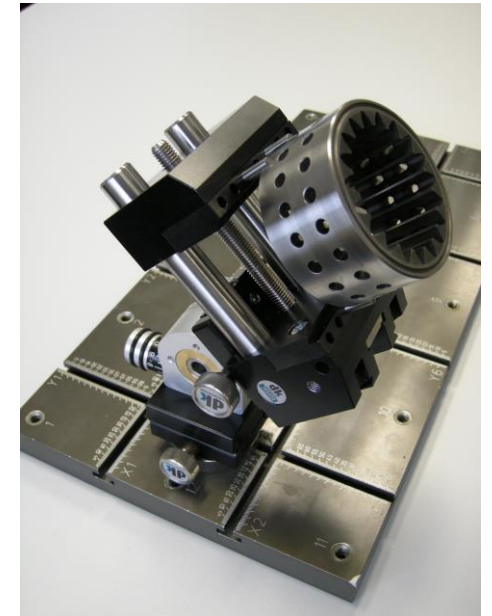

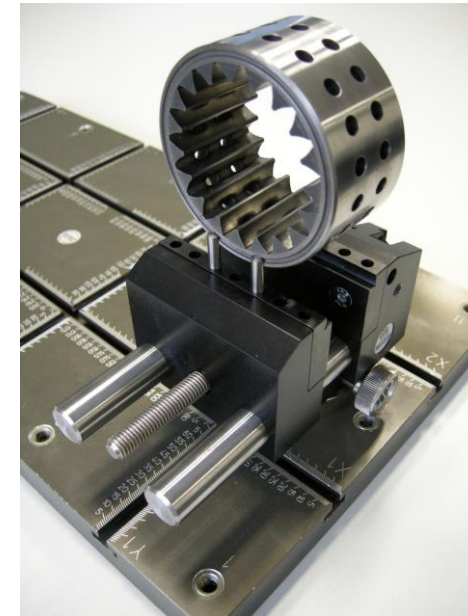

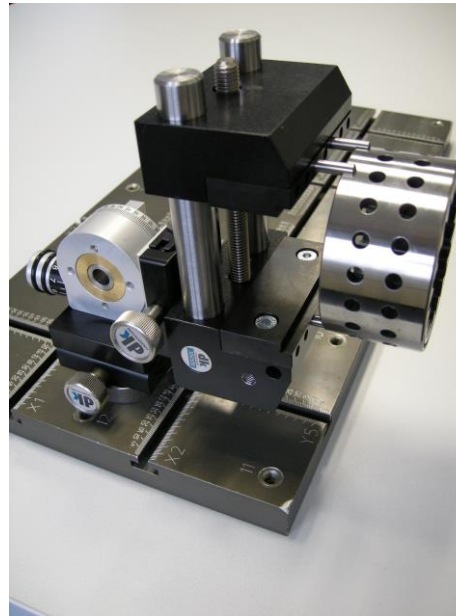

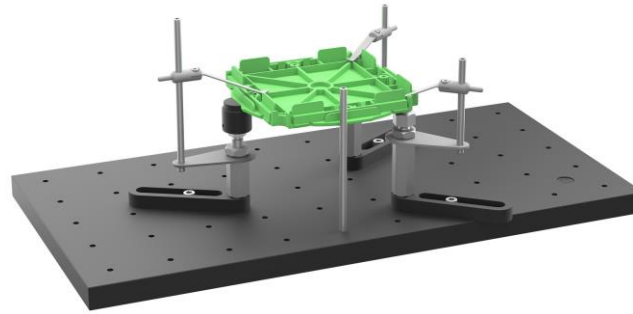

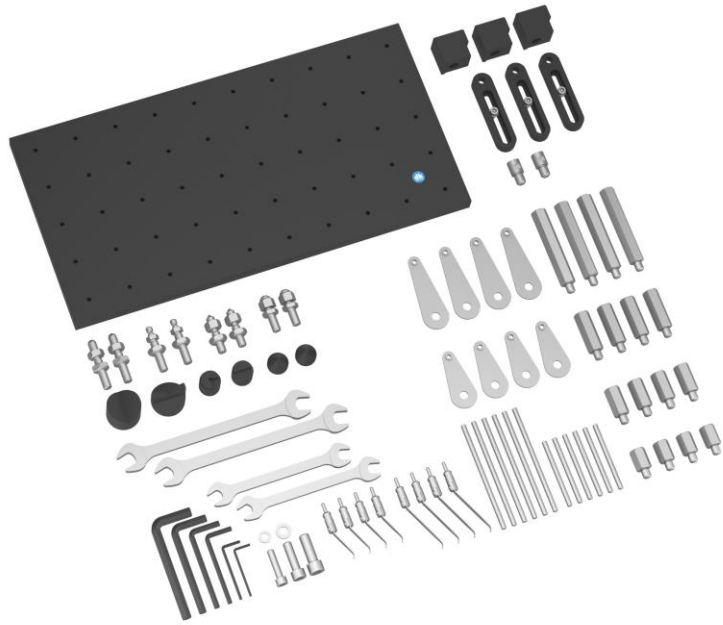

SWA39 tactil / optical clamp-set A3 SWA39

Art-Nr.: 340530-M06
340530-M08
340530-M10
340530-M12

- Consisting of:
 - quick action clamp
 - quick action clamp on a pivot unit (fine adjustment)
 - precision-vice 80mm
 - clamping pins stepped

SPANNFIX ECO

tactile

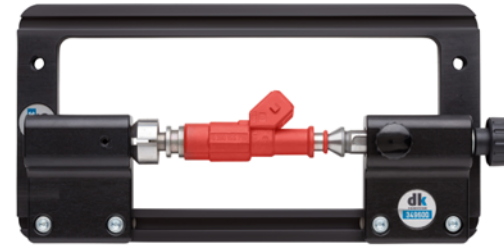

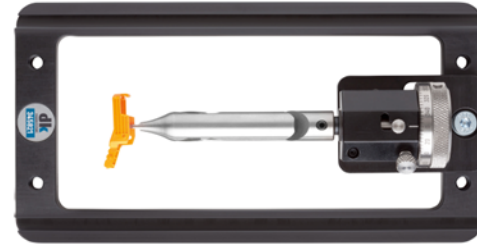

Spannfix ECO CMM

Start-Kit M609

Art-Nr.: 285175

- Consisting of:
 - Baseplate M6 500x250x20mm
 - clamping jaws
 - base rail M10
 - thread adapter
 - hexagonal extensions M10
 - quick change adapter M10 / SWA8
 - spring finger Ø6
 - diverse accessories and tools
 - centre points SWA-8
 - flat supports SWA-8
 - prism supports SWA-8
 - self-aligning pads M10
 - jack screws pads M10
 - adapter plates for columns M6
 - column Ø6 with thread M6

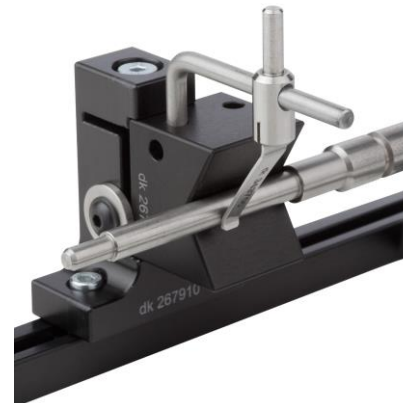

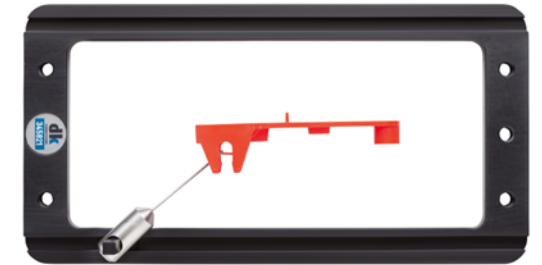

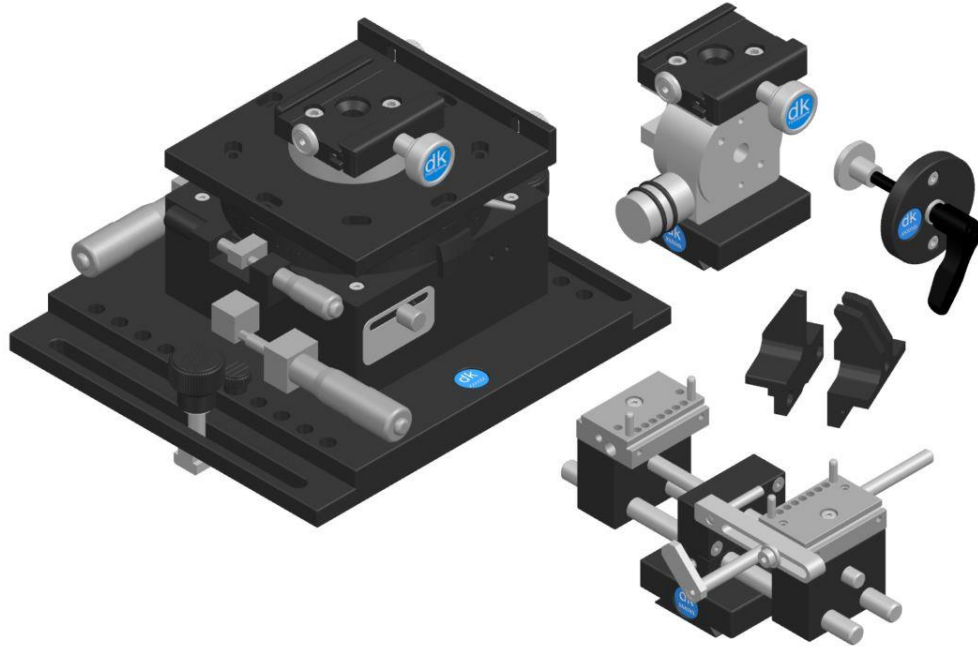

Schienenfix universal clamping-kit for optical measurement

Art-Nr.: 269990

- Consisting of:
 - quick change pallet
 - tailstock
 - female centre 90°
 - prism holder
 - prism 120° with spring finger
 - prism 120° magnetic
 - rotary unit with fine adjustment
 - precision mini chuck
 - small-parts clamp stepped
 - square columns for spring finger
 - spring finger round 34 mm
 - column $\varnothing 4$ mm
 - T-slot nuts M4
 - spring finger round 40 mm
 - incl. case

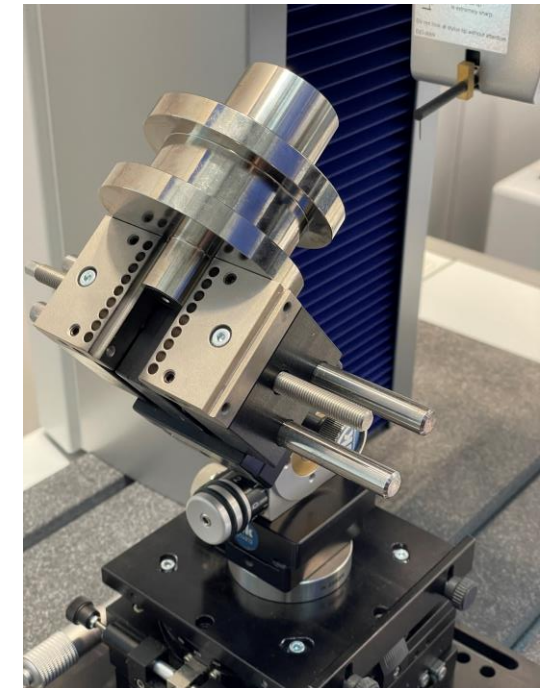

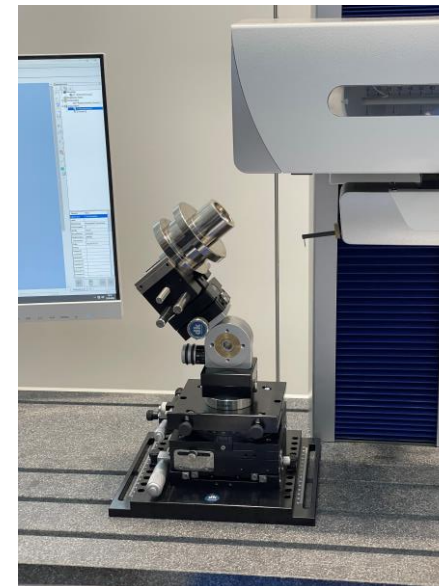

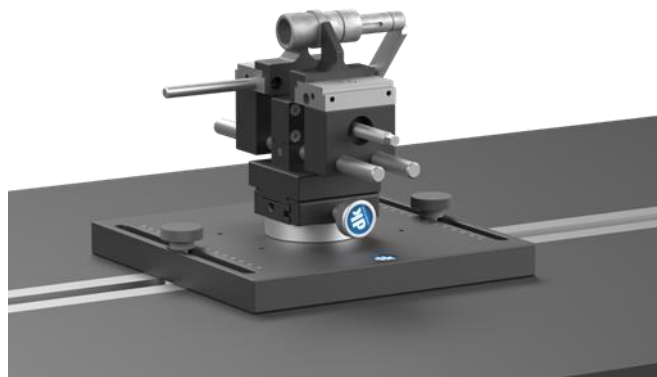

SWA39 SURF

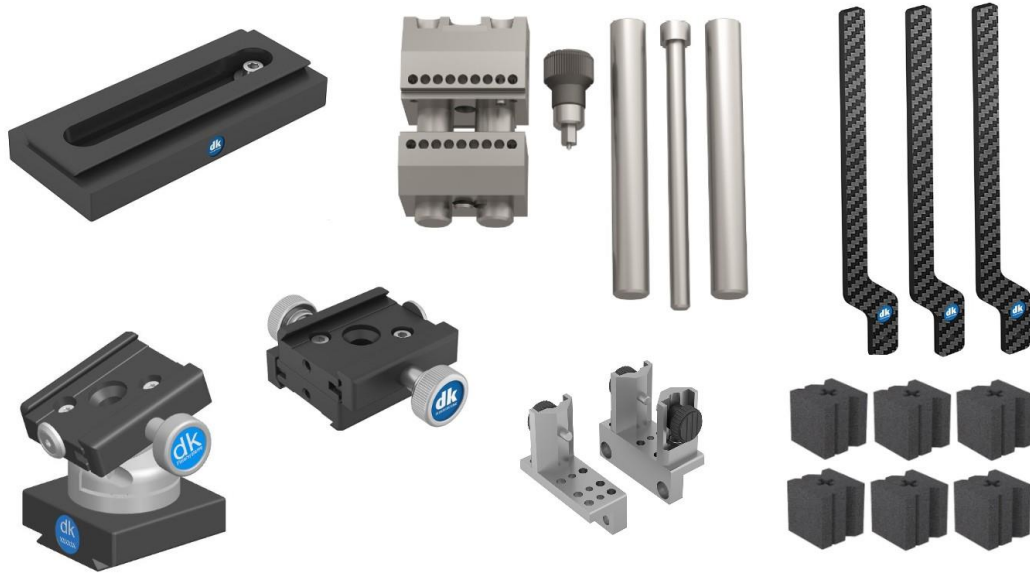

surface and contour

Basic-Set 2

Art-Nr.: 340805

- Consisting of:
 - SWA39 positioning table
 - pivot unit with clamping set
 - precision centre vice
 - three-point contact prism jaws

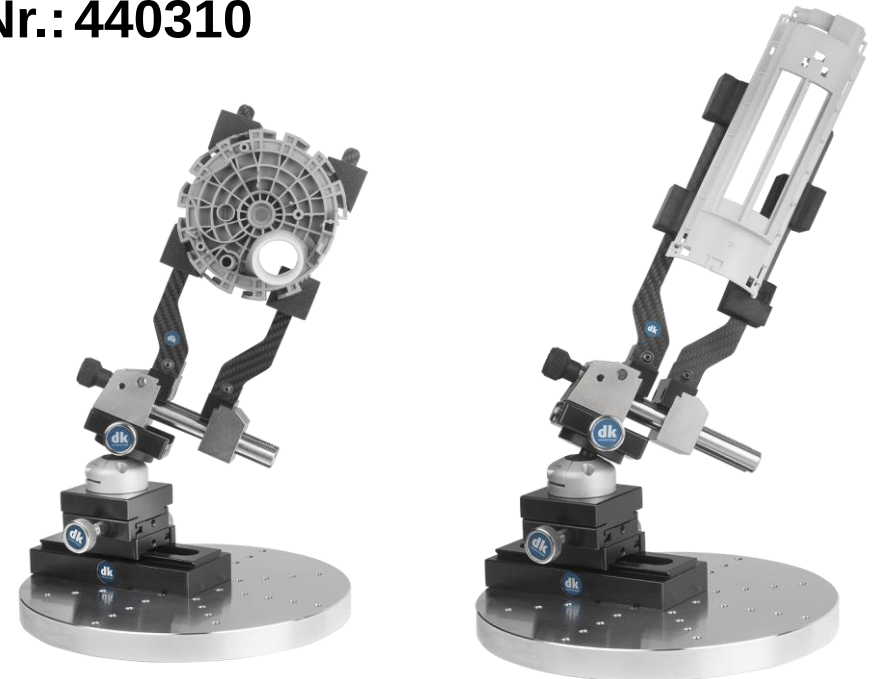

SWA39 CT

CT basic-set vice

50 mm

Art-Nr.: 440310

- Consisting of:
 - SWA39 basic rail
 - SWA39 quick action clamp with ball joint
 - quick change slide adapter SWA39
 - precision vice 50 mm XRAY
 - system adapter for XRAY1
 - flat clamp intermediate element straight XRAY1
 - XRS CT-foam

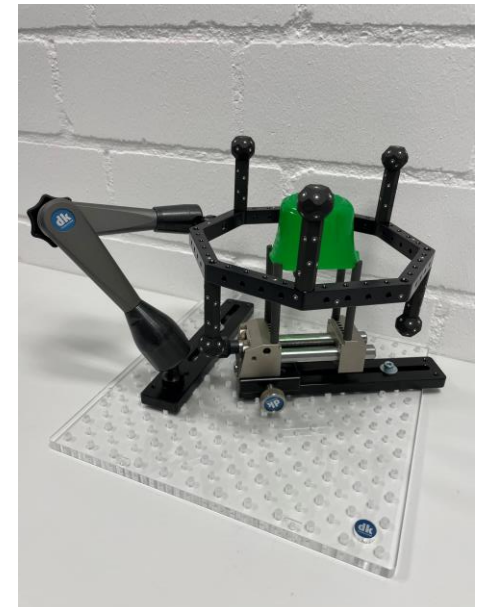

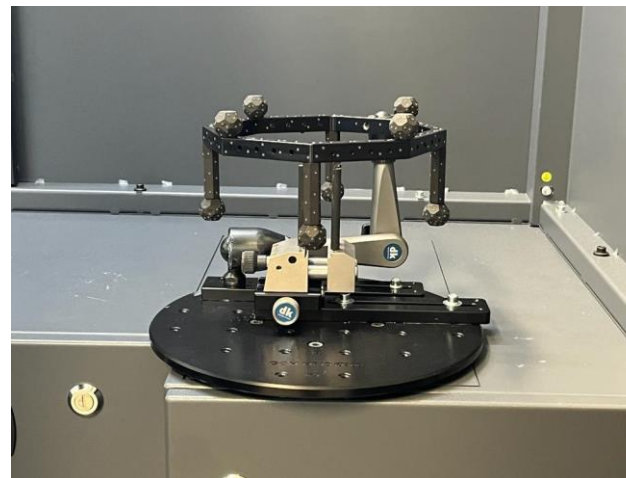

Target-Base 3D-Scanning

OCTOFIX basic-set

SWA39 vice

Art-Nr.: 441210

- Consisting of:
 - SWA39 quick action clamp on base rail
 - round clamp intermediate element
 - clamping joint TurnStop
 - precision vice 50 mm
 - OCTOFIX-frame
 - Target-Base
 - hexagonal columns

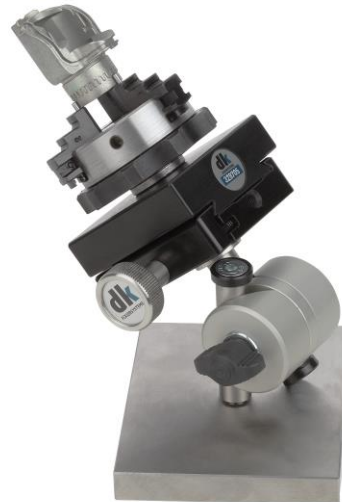

Universal clamp-set „universal with pivot unit“

Art-Nr.: 269850

- Consisting of:
 - SWA39 pivot unit with baseplate
 - precision vice 15 mm
 - precision vice 35 mm
 - precision vice 50 mm
 - clamping pins stepped
 - prism with spring finger
 - precision three jaw chuck 50mm
